

CAPABILITY STATEMENT

WHO WE ARE

Trigon Associates LLC (Trigon) offers comprehensive engineering, management, and consulting services. We combine international innovation with home town experience to provide solutions for a wide range of engineering, environmental, and management services across a diverse array of municipal infrastructure, disaster recovery, resiliency, remediation, and construction projects. Our expertise spans the entire project lifecycle, encompassing inception, planning, design, procurement, construction, and post-construction phases. We are a licensed Professional Engineering firm in Louisiana, Texas, Mississippi, Florida, and the District of Columbia, boasting a team of professionals licensed across multiple states, including Alabama, Arkansas, California, New York, North Carolina, and Virginia.
